

# OUR HERITAGE

- Since 1993, UK Moves has been moving businesses forward. We began as a trusted network of relocation specialists under North American Van Lines, delivering seamless, end-to-end moves for leading organisations.
- Over three decades, we've built a reputation for managing complex, high-value projects with precision, always acting as your single, accountable partner to keep your business running smoothly.

## 1993–1999

Landmark relocations for the **Defence Research Agency, Carlton Television, British Telecoms** and **ITN**.

## 2001–2004

Specialist projects for **Prudential, Unilever, Lovells LLP, Credit Suisse** and **Dell**.

## 2007–2008

Completed a management buy-out from **SIRVA Group** and navigated the global financial crisis.

## 2014–2019

Delivered bespoke turnkey projects for **Ingenious Media, BAE Systems, AECOM** and **Medcity Place St George's Hospital**.

## 2021

Evolved into **BizMoves**, broadening our expertise to include full business relocations, secure storage solutions, and workplace change services.

## 2000

Became part of **SIRVA**, delivering large-scale corporate moves worldwide.

## 2005–2007

High-profile moves for the **Natural History Museum, Naval Historical Branch, King's College Medical School** and **University of Nottingham Library**.

## 2011–2013

Major cultural and educational relocations, including **Birmingham City Central Library, Oxford Brookes University Library**, and the **National Army Museum**.

## 2020

Rebranded as **Pure Technology Solutions**, part of the **Fortel Group**.

## 2022 - Present

Proudly reintroduced as **UK Moves Group**, uniting decades of expertise to deliver seamless business moves, managed office storage, workplace change, and expert technology installation.

Three decades on, our mission is the same to deliver smooth, stress-free moves that let our clients focus on what they do best.
